## Agent Information 2026

**“An excellent summer school in an amazing location.”**

# What makes ISC one of the best junior summer schools in the UK?

## Quality, safety and care

- We run one school, in one location to ensure high levels of care, quality and education. The directors live on site and are available 24/7.
- Excellent British Council report (2022) with eight areas of strength including teaching, course design and care of under-18s. Please see our website for the full British Council inspection report.
- Superb organisation and excellent welfare provision - safety and quality lie at the heart of everything we do. This will be ISC's 29th year!
- Agents and leaders frequently comment on ISC being the best UK junior school they have worked with. They especially like the "family feel, well-trained staff and outstanding organisation".
- Qualified, professional and friendly staff who create a supportive and caring environment. We have a high staff retention rate and excellent staff feedback.
- Fantastic student experience - we were delighted that 98% of our students rated their experience as good/excellent across our 2025 courses!

## Location & Facilities

- Courses are held at historic Bloxham School, a traditional boarding school with excellent facilities for sports, theatre, art and leisure activities & 60 acres of beautiful grounds.
- Amazing location near Oxford and the picturesque Cotswolds, an Area of Outstanding Natural Beauty in England.
- Homely, comfortable accommodation in one of Bloxham's boarding houses.
- Safe campus, set in a small village with 1:10 staff/student ratio on site.
- 1 hour from Birmingham International Airport and 1.5 hrs from Heathrow

## Programme

- Fun, interactive English classes with a focus on fluency and spoken skills.
- A range of **General English+** courses for students to tailor their learning experience. 94% of our students rated their lessons as good/excellent.
- An immersive, engaging programme designed to help students to grow in fluency and confidence when using English and encourage teamwork and independence.
- International, multi-cultural experience, 17 nationalities on our 2025 courses.
- Great variety of activities including outdoor adventure skills, sports - football, touch rugby, volleyball, lacrosse, dance, yoga, swimming, tennis, baking, art, jewellery making, circus skills, team competitions, traditional British games & much more.
- Excellent location for trips, with excursions to Oxford, Birmingham, and London.

*Dear Agents,*

We have had a fantastic time getting to know your students and leaders and have lots of wonderful memories from the summer. Thank you again for your support and sending such amazing students to ISC.

We are delighted that **98% of our learners rated their experience at ISC as good/excellent!** We are thrilled to have such happy students and hope to see them again.

We were also very heartened to read such positive comments from our leaders, team and agents. Our Lithuanian agent noted that “every single family was absolutely delighted with ISC. Both parents and children were deeply impressed by the quality of your camp - the safety, the staff, programme, excursions and food all received the highest praise. **This level of enthusiasm clearly shows that your camp is truly exceptional**”.

Our Czech leader said she “**loved that every kid feels seen and included.** The students had so many opportunities to speak English with international friends. Compared with other schools, ISC is the best one”. Our Spanish leader commented “**that the team couldn’t be more involved and made the students and leaders feel at home**” and our Japanese leader noted “**that she often accompanies students on language trips and strongly feels the the ISC experience is exceptionally enriching**”. Our Chinese agent complimented “**the excellent care, professionalism, support and educational spirit of the ISC team. Our students and leaders had a truly wonderful and unforgettable summer language school experience.** We are already looking forward to returning”.

This summer, we welcomed over 570 **students from 17 different countries** and hope to build on this in 2026. It made for a great atmosphere on campus and lots of international friendships. There were lots of opportunities for students to practise their speaking and learn about each other’s cultures.

**It was a real joy hosting returning friends, students and new groups** this summer. Our students really got involved in the programme and were very open and international.

We were proud to receive **94% good/excellent ratings for our “interactive, dynamic” General English programme.** We are always amazed by how much our students' confidence and fluency improves when using English at ISC. We were pleased to hear from agents that the students are using their English to keep in touch with their new friends.

In 2025 our students enjoyed new lessons, new activities such as lacrosse, touch rugby and photography and trips to Thorpe Park and the stunning Cotswolds’ villages.

We also successfully trialled **our new General English+ Horse Riding course** this summer and are excited to be working with our partners at the Cotswold Hills Riding Centre to offer this new course at ISC.

In addition to our excellent General English programme, we offer a range of **General English+ courses** for students to be able to tailor their learning experience. Students can enjoy all aspects of the General English programme in addition to specialist coaching/tuition on our General English+ courses:

- General English+ Horse Riding
- General English+ 1:1/1:2/Mini-Group Tennis Coaching
- General English+ Academic English
- General English+ Cambridge Exam Preparation

We are very fortunate to have such a fantastic team, group leaders, students and partners at Bloxham School and are grateful to them for being part of ISC’s success. We always look for ways to improve and hope to make our courses even better next year. **Watch this space for new 2025 programme ideas!**

If you have not visited Bloxham School yet, please get in touch, we are always more than happy to show agents and leaders around the beautiful campus and village.

Thank you for your ongoing support and we hope your students and leaders will be part of the “ISC family” next summer! We look forward to our continued cooperation and here’s to a great year ahead.

*Nic, Al and the ISC team*

## ISC Student Testimonials

"I really liked the food, it was delicious and the staff were so funny and kind. It really was a perfect camp!"

*Emilija from Lithuania*

"I loved that I could socialise with people from all over the world, while learning a lot. It is a very well-organised school. I loved it."

*Camila from Argentina*

"What I liked most was that everyone was so willing to help. You had a great programme!"

*Veronika from Czechia*

"I had an amazing opportunity to learn English in an interactive and motivating way through my amazing teacher!"

*Rodrigo from Portugal*

"We would like to give you and your entire team our heartfelt and deepest thanks for the truly amazing support you gave Felix. The care, effort, and kindness you all showed made such a big difference for him – and for us as parents. He arrived home safe and very happy today, and we are incredibly grateful for everything you have done."

*Felix's mother, Germany*

"A Big Thank You to the team for a wonderful experience – not only to improve my English, but also to meet new people and discover the British culture. What made it truly special was how well you took care of me. Your support, encouragement, and constant backing gave me the confidence to make the most of every moment."

*Felix from Germany*

"The best thing was the mix of nationalities in the classes and using my English to make friends."

*Camilla from Italy*

"I loved the projects, getting to do the scripts, props and performing the plays was really fun!"

*Bianca from Romania*

"My favourite thing was being with my friends in my house at suppers before bed, playing games, having hot chocolate."

*Hasan from Turkey*

# About ISC

International Student Club is run by Al Dadge, and Nicola Lee, directors of ISC. This will be ISC's 29th year of welcoming students from all around the world on our summer courses.

During the summer, Nic oversees our qualified, professional teaching team as ISC's director of studies. Our friendly, creative teachers aim to provide students with fun, interactive lessons and lots of spoken practice.

Our activity director and team are full of enthusiasm and organise a variety of entertaining activities, including sports, outdoor adventure skills, team competitions, a murder mystery evening, the ISC Bake Off, circus skills and much more. Many of our students comment on how caring, positive and supportive our ISC staff are.

Your students will improve their English and make friends and memories for life!

## Location & Facilities

ISC's courses take place at Bloxham School, a traditional, boarding school, founded in 1860. Bloxham is a fantastic location for a summer school, set in a picture-perfect village in Oxfordshire. The school is only 40 minutes from historic Oxford and London is just under two hours away.

The campus provides a beautiful environment for students, situated on the edge of the stunning Cotswolds, An Area of Outstanding Natural Beauty. The school has an impressive mix of historic and modern buildings and 60 acres of grounds.

Bloxham has great transport links and the school is well situated for Birmingham and London Heathrow airports.

There are fantastic sports facilities including an indoor sports hall, tennis courts, AstroTurf pitches, fitness studio, a 23-metre indoor heated pool and outdoor playing fields. There are modern multimedia classrooms, a well-stocked library, and excellent facilities for drama, art, food technology and leisure activities. All boarding houses are within 5 minutes of the centre of campus.

Students have an on-site café and homely common rooms to relax and socialise in. Wi-Fi is available throughout campus.

The campus is very safe with individual access codes to the houses. The directors and staff live onsite, so there is always someone available to help students.

# Accommodation

Bloxham's peaceful campus is located in Bloxham village - a very safe environment for young people. Residential accommodation is in one of the college's seven comfortable, single-sex boarding houses. Each house has its own character with a mixture of modern and more traditional buildings.

Boarding houses have a variety of rooms and spacious common areas to relax. The common rooms have lots of things for students to enjoy, such as table tennis, table football and smart TVs. Each house has a fully-equipped kitchen, where students can share an evening snack and use their English to socialise with international housemates. The bathroom ratio is 1:6.

We have comfortable singles and twin rooms for older students and multi-bedded rooms for our younger students. We organise rooming requests with agents as of Easter.

A laundry service takes place mid-course for a £5 charge. Bedding is provided and changed each course. Students need to bring a towel for showering and swimming.

# Catering

Bloxham are very proud of their in-house catering team, who prepare all meals on site using fresh ingredients. Special dietary requirements are routinely catered for.

The food is plentiful and delicious and there is always a wide choice to meet all tastes with a choice of meat, fish or a vegetarian option. There is a well-stocked salad bar, pasta bar, soup, fruit and desserts.

A range of cooked and cold options are available for breakfast. The fortnightly barbecue is always popular with students!

Drinks, fruit and freshly baked cakes/biscuits are provided at breaktimes. After evening activities there is a light snack in the boarding houses. There is also a modern school café that sells snacks, cakes, and hot and cold drinks.

*"The food was amazing, I really appreciated the way the staff adapted to some of our students' dietary requirements" Mihaela, Romania.*

# General English Programme

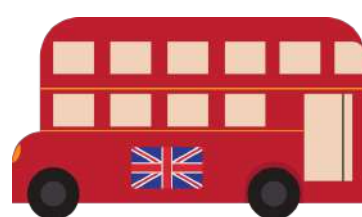

## General English Lessons

At ISC students receive 27 lessons/30 hours of General English, British Culture and Project lessons during the two-week programme. We have an excellent team of professional and friendly teachers and were awarded a strength for teaching in our last British Council inspection (2022). In 2025 we had 94% good and excellent feedback on lessons!

Our General English lessons are engaging and fun, with a focus on improving spoken communication. We want to help our students improve in confidence and fluency when using English. Students practise all communication skills, level-appropriate grammar and vocabulary, and pronunciation. We use our own range of interactive and interesting course materials, which are constantly updated by our creative teaching team. We also help to prepare students for life beyond school with essential life skills.

Course components include leadership, teamwork, problem solving, critical thinking and effective communication skills activities. Students enjoy delivering their ISC business pitches, reporting on ISC news as mini-journalists and debating lessons.

Students have a short level test on arrival and classes are organised by age and ability. Teachers monitor the progress of students in lessons and students receive a written report and certificate at the end of the course.

## British Culture Lessons

In British Culture classes, students learn about the British way of life, culture, food, music and each other's cultures.

We also prepare our students for their excursions in British Culture lessons, where they learn all about the history, geography and cultural significance of the places they will be visiting. Students are able to practise the English they've learnt in class in real-life situations on trips.

Our teachers care about helping each individual student to progress and they use a variety of motivating activities, materials and technology in class. Learning is fun at ISC and we want to help our students learn and use English to the best of their abilities!

# General English Programme

## Project

Project classes are a much loved part of ISC and are an enjoyable and creative way to improve spoken confidence and public speaking skills.

Mixed ability, international teams work together with the support of their teachers to create a short drama production.

Students learn how to direct and act in a play, and work together to create a story, dialogue, characters, costumes, set and props, and of course, rehearse and perform! There's a role for everyone!

This culminates in the students performing their drama productions to the school in an exciting project show, in which project teams compete to be the best class in school.

## Typical Daily Timetable

07.30 - Wake up call
08.00 - 08.30 - Breakfast in Dining Hall
09.00 - 10.30 - General English lesson
10.30 - 10.50 - Break
10.50 - 11.40 - British Culture lesson
11.40 - 12.30 - Project lesson
12.30 - 13.00 - Lunch in Dining Hall
14.00 - 15.30 - Sports, Arts & Crafts, Dance Workshop or Climbing
15.30 - 16.00 - Break
16.00 - 17.00 - Capture the Flag, Swimming, Tennis or Arts and Crafts

22.00 - 22.30 - Supper in houses

## Key Information

- Students are organised into two age groups: Jets 9-13 & Sharks 14-17 years old.
- Students are level tested on arrival & placed into the correct class.
- Our levels range from Elementary to Advanced (**unfortunately we do not accept complete beginners**).
- Maximum class size of 16 (General English & British Culture lessons).
- Classes are merged for Project (32 students) and are assisted by three staff.
- 30 hours/27 lessons of study per two-week course, which includes General English, British Culture and Project lessons and level test.
- Lessons & activities follow a zig-zag timetable.
- Lessons & activities take place every day apart from on arrivals day, trip days (Friday and Sunday - week 1 and Wednesday - week 2) and departures day.
- Lessons have a focus on fluency and speaking skills. Teamwork components prepare students for life beyond school.
- End-of-course certificate, report and prize-giving ceremony.
- Full daytime and evening activity programme.
- Three full-day excursions.
- Please see the [ISC website](#) for full course details.

# Activity Programme

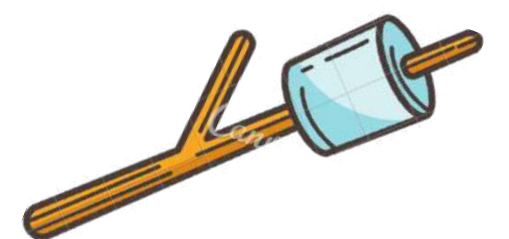

ISC has a varied, exciting daily activities programme. Students can choose from 4-5 options each session. The programme includes sports such as football, lacrosse, touch rugby, dance, yoga, tennis, volleyball and swimming. There are also creative options such as baking, jewellery making, tie dyeing t-shirts, arts & crafts and photography. Students can learn outdoor adventure skills, circus skills and compete in traditional British games, treasure hunts and much more.

Evening activities include a murder mystery, discos, giant games, team competitions, drama games, quiz and cinema nights. During activities, students have the opportunity to practise interacting in English and to make new friends.

We have excellent facilities for activities, including a sports centre, a 23m indoor swimming pool, fitness studio, tennis courts, large sports fields, astro turfs, a modern food-technology kitchen, a well-equipped art block, theatres and indoor spaces for drama, games and events.

Students compete with their international project team to win points for good participation, English and behaviour in and out of class. The project teams compete to win the ISC project cup.

## Outdoor Adventure Skills

### Learn outdoors & practise bushcraft and language skills

One of our new activities **OUTDOOR ADVENTURE SKILLS** teaches students how to construct shelters, use camouflage, build and cook on their own campfire, and work as a team to face challenges.

**This activity is great for developing team building and problem-solving skills, while enjoying nature.**

## Excursions

ISC students go on 3 full-day trips to London, Birmingham and the university city of Oxford. All trips include an informative, guided walking tour and students can practise their English in real-life settings.

In London, students explore the capital's most famous sights and visit the world-renowned Natural History Museum or V&A Museum.

In Britain's culturally-diverse second city, students see the iconic architecture of Birmingham, visit the Thinktank science museum and have free time for shopping in Europe's biggest shopping centre.

Students go punting on the scenic River Cherwell in Oxford, learn about the university's historic colleges and go shopping for souvenirs.

We want students to be safe outside of school, so we have a ratio of 1 adult per 15 students in addition to group leaders. Students are given ISC membership cards detailing the ISC emergency contact number, and they prepare for their trips in British Culture lessons.

## Optional Trips - Discover what the UK has to offer!

On the first Sunday of the course, there are optional trips for an extra charge of £70-£120 to lots of exciting destinations, There is also a full day of relaxed activities on campus.

- For history fans there is a trip to Royal Windsor + castle entry or the Tower of London, where you can see the Crown Jewels!
- For culture lovers we have a trip to the beautiful Cotswold Villages.
- Harry Potter fans can go on a magical tour of the Warner Brothers studios.
- There are also popular trips to the iconic London Eye + shopping.
- And for students who love adrenaline, Thorpe Park theme park.

Optional trips are subject to interest and availability. Harry Potter tickets are very popular and sell out fast. Please contact us for more details.

# General English+ Horse Riding

## Develop your horse riding skills, whatever your level!

Our General English + Horse Riding course is designed to help students improve their English, develop their horse riding skills, technique and confidence.

Students receive 6 or 3 hours of expert coaching from the friendly, experienced coaches at our partner riding school - Cotswold Hills Riding Centre. The coaches help to develop horse riding skills at beginner, experienced or competitive levels.

Whether students want to improve their competitive skills, learn to ride or simply enjoy being with the horses and nature, there is something for everyone.

There are lessons on the flat, over jumps or you can go on a hack and explore the beautiful Cotswold countryside. There are lots of opportunities to see many aspects of equestrian life as well as learning to ride or improving your riding.

Improve your English and enjoy expert horse riding coaching at the same time!

## Learning Objectives

- Improve horse riding skills and overall fitness
- Practise trail riding, jumping and/or dressage
- Practise and improve technique
- To learn and practise vocabulary related to horse riding
- To practise spoken communication skills
- To practise and improve listening skills during coaching sessions

*"I did dressage, show jumping and trail riding. They were all interesting and fun. My trainer Daisy was very nice and supportive and the horses were well cared for and gentle. The environment was welcoming which made every lesson special. The horse riding lessons were a wonderful experience that I would like to repeat!" . cSmilte, Lithuania*

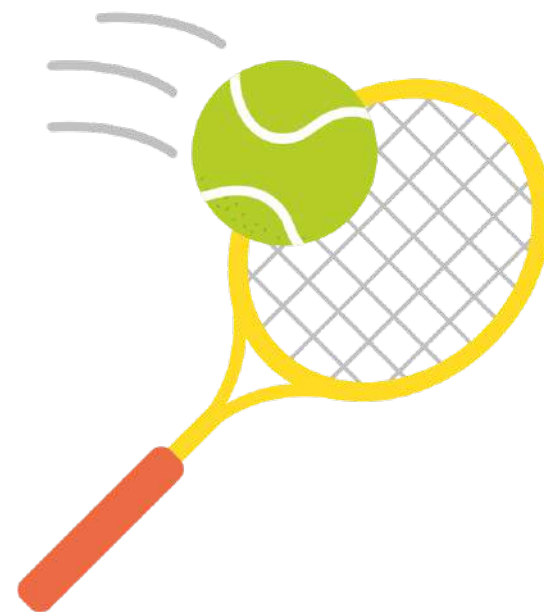

## Key Information

- For students aged 9-17 years old
- 6 hours or 3 hours of horse riding lessons at Cotswold Hill Riding Centre
- Transport to the riding centre included
- Maximum ratio of 3 students to 1 coach
- Expert coaching from friendly, experienced coaches
- Includes General English programme - 30 hrs/27 lessons of General English lessons, 3 full-day excursions and daily activity programme

# General English+

## 1:1/1:2/Mini-Group Tennis

### Expert Tennis Coaching

Our General English + Tennis course is designed to help students improve their English and develop their match play techniques, skills and fitness.

Students receive 6 hours of expert coaching from Lawn Tennis Association (LTA) approved coaches. Rosie Clark Tennis Coaching has experience of coaching at top private schools and international summer schools. The coaches have a wealth of knowledge suitable for group and individual lessons of all standards, coaching players from beginner to performance level.

Lessons will include a brief assessment before highlighted areas are worked on both tactically and technically. Sessions will include competition and match play aspects and take place on hard courts at Bloxham School. Students participate in all areas of the General English programme, along with an additional 6 hours of individual or mini-group coaching sessions per course.

### Learning Objectives

- Improve match play and overall fitness
- Gain specific strategies to improve court awareness
- Work on tactical play
- Practise and improve technique
- To learn and practise vocabulary related to tennis
- To practise spoken communication skills
- To practise and improve listening skills, such as listening for gist and detail during coaching sessions

*"I feel more confident about playing competitively."  
Barbora, Czechia*

*David, Romania "I really liked the tennis sessions, they were interactive and the coach helped me with technical things like serving better".*

### Key Information

- For students aged 9-17 years old
- 6 hours of 1:1, 1:2 or mini-group coaching sessions per two-week course
- Maximum ratio of 6 students to 1 coach
- Expert coaching from LTA qualified, friendly coaches
- Includes General English programme - 30 hrs/27 lessons of General English lessons, 3 full-day excursions and daily activity programme

# General English + Academic English

Our Academic English Course is for motivated students with a B2+ level of English, who wish to improve their academic skills or study in the UK in the future. There is a pre-course level test to ensure that the student is at the right level.

Our professional, friendly teachers help students to hone their academic skills and prepare for higher education in English.

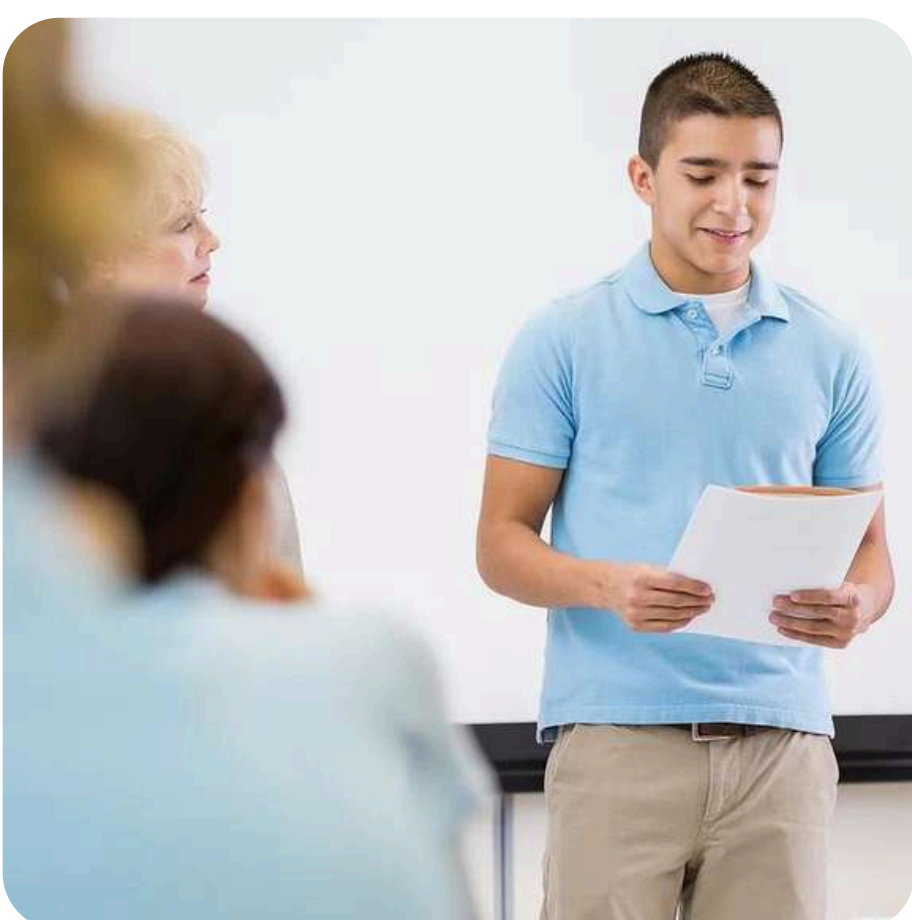

Lessons include a Q&A session with the Bloxham admissions team who offer useful advice and information on UK academic life.

Students enjoy all aspects of our General English Course along with eight additional lessons focusing on Academic English.

Students benefit from practical lessons on essay writing, giving effective presentations and note taking techniques. Students create and deliver short presentations and receive individual feedback.

## Learning Objectives

- To gain an understanding of the UK education system
- To learn and practise transferable life skills, such as how to create and deliver an effective presentation
- To develop academic writing skills, such as essay writing
- To develop and practise spoken communication skills, such as giving presentations
- To practise essential academic skills, such as reading strategies and notetaking/listening strategies for university lectures

## Key Information

- For students aged 14-17 years old
- Maximum class size – 8
- For students studying towards a B2/C1 level of English
- Prepares students for future academic studies
- 2 week course - 8 x 45 minute lessons
- Includes General English programme - 30 hrs/27 General English lessons (maximum class size 16), 3 full-day excursions & daily activity programme

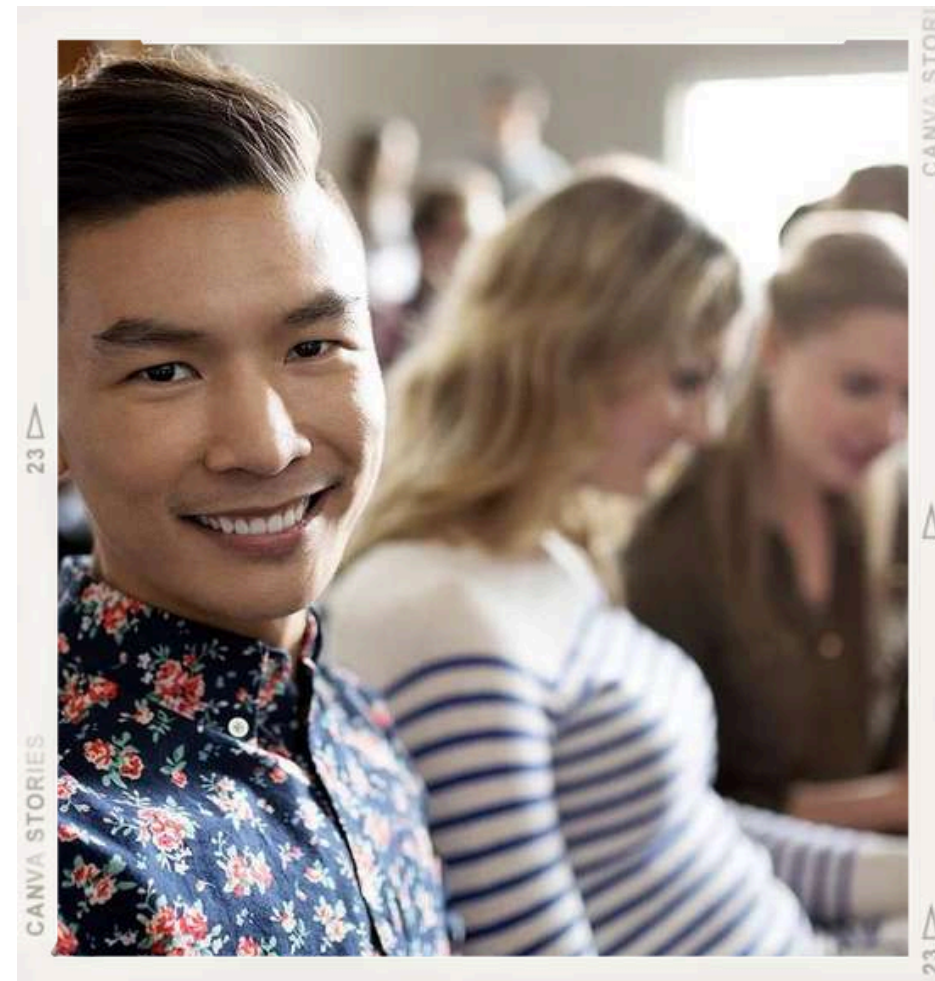

# General English + Cambridge Exam Preparation

## Secrets to Exam Success

Our PET and First Certificate exam preparation courses are designed for students who require practical exam strategies and guidance on how to approach Cambridge reading, writing, listening and speaking exam tasks. Students enjoy all aspects of our General English course along with eight additional lessons focusing on Cambridge exam preparation.

During the course our students practise and develop their communication skills in English and are given exam tips and advice from our professional teachers.

Classes include practice of useful speaking expressions, essay writing and strategies for a variety of reading and listening exam tasks. Students will have the opportunity to use authentic Cambridge past exam papers and receive individual feedback on mock-speaking exams.

## Learning Objectives

- For students to familiarise themselves with all parts of the PET/FCE exam
- To develop and practise spoken communication skills, in both interactive and individual speaking exam tasks
- To learn and practise useful speaking expressions
- To develop academic writing skills, such as essay writing
- To acquire practical exam strategies
- To practise listening and reading for gist and detail
- To improve exam performance using individual examiner feedback

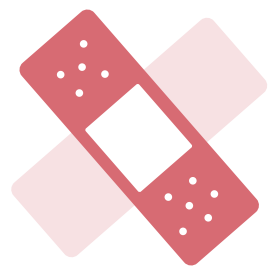

## Key Information

- For students studying towards a B1 (PET) or B2 level (FCE) of English and wish to take the Cambridge PET or FCE exam - there is a pre-course level test to ensure the student is at the correct level.
- Exam strategies and helpful tips for passing the Speaking, Reading, Writing and Listening papers
- Highly experienced teachers of Cambridge examination classes
- Maximum of 8 students
- 2 week course - 8 x 45 minute lessons
- Includes General English programme - 30 hrs/27 General English lessons (maximum class size 16), 3 full-day excursions & daily activity programme

# Welfare

The most important thing for us, is that students are happy and cared for while they are at ISC, so they have an enjoyable learning experience. Our office is open 8:30-22:00 every day and there is a head of house and staff in the boarding houses after that time. If students have any problems, all of our staff are happy to help. The directors provide 24 hr emergency assistance.

Bloxham has a very safe campus, with a lockdown of houses at 23:00 - houses have individual access codes. We expect students to stay on campus, except when they go on organised excursions with our staff. When on trips, students should respect the school's rules.

If students or group leaders feel ill, we have first-aid trained staff on site and a hospital nearby. Directors Al, Nic and all the staff live on campus and students are given a 24-hour emergency telephone number, so they can contact us at any time.

## Individual Students

Some of our students travel in groups, but we always have a lot of students who travel to the school alone or with a friend. We call these students "Individuals" and we put them in the individuals' group with a British group leader to look after them.

Individual students live in our homely boarding houses together and go on trips together too. We encourage individual students to share bedrooms with other nationalities in their boarding houses. This truly international group makes it easier for students to make new friends and, of course, to do so in English.

To ensure they are happy and well cared for, we:

- appoint an experienced member of staff to be the Individuals Group Leader and help students to develop their independence.
- take registers 4 times a day - a chance to check all is OK.
- keep pocket money in the school safe in the office, so students have regular contact with the course directors.
- hold individuals' meetings three times a week to inform students of important information.
- provide a dedicated group leader phone number and 24-hour emergency number.

# Bookings

## Group Bookings

- Provisional group allocations are confirmed in writing to the agent at the start of the sales season. The agent must provide regular updates on sales of student places.
- A group booking form including course dates, student name, sex, date of birth and any special requirements or medical conditions should be sent to ISC at least 6 weeks before arrival.
- The Student Agreement, Parental Consent and Data Protection forms should be completed by the student/parents when booking. All enrolment documents can be downloaded from the ISC website.
- The completed forms should be sent by email to [al@intstudentclub.co.uk](mailto:al@intstudentclub.co.uk) or [nic@intstudentclub.co.uk](mailto:nic@intstudentclub.co.uk)
- A group invoice will be sent upon completion of the group. One free leader place is given for each 10 students. **Additional leaders are charged pro-rata at £365/week.**

## Individual & Home Tuition Bookings

- The Enrolment, Student Agreement, Parental Consent, and Data Protection forms should be completed and returned to ISC at least 6 weeks before arrival. All enrolment documents can be downloaded from the ISC website.
- The student's place on the course will be confirmed and an invoice sent on receipt of the enrolment form.
- Flight details should be sent as soon as these are confirmed – at least 6 weeks before arrival.

## Booking Payment Schedule

A non-returnable deposit of 20% is payable upon individual bookings. Group deposits must be paid by 28.02.2026. The final balance must be paid at least 4 weeks prior to the course start date. **Please ensure you cover the cost of bank charges and use the INVOICE NUMBER or STUDENT'S SURNAME as the reference.**

## Transfers

- Bloxham is conveniently located 1.5 hrs from Heathrow and an 1 hr from Birmingham airport.
- Your students are met at the airport by a member of ISC staff or one of our drivers. Please look for the red 'International Student Club - Bloxham' sign. Staff accompany students to their coach or taxi which will take them directly to the college. All of our drivers hold current DBS checks.
- Individual students travel to Bloxham by taxi with other ISC students where possible.
- If your group arrives very late or very early in the morning, or on non-standard dates, we may not have a member of staff available to meet them. Individual students will always be met.
- **Extras:** • £60 for a check-in service • £100 for students travelling as unaccompanied minors

**Please contact us directly for transfer prices and information**

**\*Please note: the school closes at 13.00 on Monday 10th August 2026\***

# Enrolment Terms and Conditions

- We strongly recommend that students take out appropriate comprehensive travel insurance to cover medical fees, cancellation, repatriation and damage to property.
- ISC accepts no liability for the loss of money or personal effects which are not given to the office for safekeeping. Students are advised not to bring expensive items, and to lock any other valuables in their suitcase/lockable cupboard using a padlock.
- Passports, flight tickets and pocket money must be kept in the school safe and will be collected upon arrival.
- A damage deposit of £40/€40 is to be paid at the start of the course. This will be returned upon departure if there has been no damage.
- ISC must be notified of any pre-existing medical conditions. In cases of medical or other emergency the school will act in loco parentis.
- Cancellation charges are as follows for all courses: More than 4 weeks before arrival - the deposit will be retained. • 4 weeks to 72 hours before arrival - 50% of the total fees will be retained. • Less than 72 hours before arrival, 100% fees are due. • Programme refunds are never made after the course begins.
- There is no refund for cancellation or failure to provide services due to an event of force majeure/factors beyond our control, e.g. terrorist attack, war, global pandemic or other acts of God.
- Students must follow the rules of the school. Racist, violent, sexist, homophobic, bullying behaviour or harassment will not be tolerated. If students do not abide by the rules, they may be asked to leave the school at their parents' expense. Fees will not be refunded.

## Health & Safety Measures

All aspects of our course are risk-assessed and ISC's health and safety measures are continuously reviewed and updated. Our preparations are communicated to agents and parents throughout the year. Please refer to the ISC website for up-to-date information on our 2025 courses.

First aid kits are kept in all the boarding houses, main office, classroom block and sports hall. If our students feel ill, we have first-aid trained staff on site and a hospital in nearby Banbury. All management are first aid trained.

Bloxham is a very safe campus, with a lockdown of houses at 23:00, meaning students can only leave in an emergency. We expect students to stay on campus, except when they go on organised excursions with our staff. Staff live on site, so there is always someone available to help. When on trips, we also expect our students to follow the school's rules.

# Student Information Sheet

## Welcome!

We are very happy you will be joining us this summer and look forward to meeting you. It is important that you are well prepared before you arrive in England, so please read the following information carefully.

## The School

Bloxham School founded in 1860, is a traditional boarding school, located near Oxford and the picture-perfect Cotswolds. You will be accommodated in one of the school's homely boarding houses with other students and the ISC house team.

The whole school has breakfast, lunch and dinner in the dining room and there is a light evening snack in your boarding house. Lessons are held in the modern classroom block. Bloxham has fantastic sports facilities; including tennis courts, astro turf football pitches, netball courts, a 23-metre heated pool, and lots of outdoor playing fields. There are also excellent facilities for drama, arts, leisure activities, as well as a well-stocked library and food technology room. Wifi is available across campus at certain times.

There are lots of places for our students to relax and make new friends, including a modern café and homely common rooms in all the boarding houses. All boarding houses are within a 5-minute walk of the facilities.

## The Programme

- You will have 27 lessons/30 hours of English language tuition each two-week course. This includes General English, British Culture and Project classes taught by our friendly, supportive teachers. You will be allocated to an international project team while at ISC and you can win points for good work, behaviour and participation.
- When not in lessons, we offer a choice of activities including sports such as football, lacrosse, touch rugby, dance, yoga, tennis, volleyball, outdoor adventure skills and swimming. There are creative activities - circus skills, tie dyeing t-shirts, jewellery making, baking and also team competitions, British games and much more. Evening activities include discos, quizzes, a cinema night, drama games and a murder mystery.
- During the course, there are 3 full-day trips to vibrant London, the university city of Oxford, and the UK's multicultural second-city Birmingham. You will be accompanied by ISC's friendly, helpful team on activities and trips.
- Your project lessons lead to the project show, which takes place in the Great Hall at the end of the course. The projects will be judged and your team could win the cup!
- There will be lots of international students for you to make friends with. This gives you an exciting opportunity to learn about other cultures as well as British culture. As part of this, we ask you to take part in our International Talent Show. You can dance, sing share interesting information about your country or showcase a talent!
- On the first Sunday of each course, you can go on an optional excursion for an extra charge. If you want to go on an optional excursion, they cost from £70 - £120 per trip. Or there is a full day of relaxing activities on campus.
- Please see the ISC website for details of the ISC programme.

## What should I bring?

- Stationery for lessons
- Water bottle to refill around campus
- Towels for showering and swimming
- Shower gel and any other toiletries you need
- Travel bottle of hand sanitiser
- Sports clothes and white soled trainers for use in the sports centre
- Comfortable walking shoes for excursions
- Sports equipment, if you want to use your own (equipment is provided by the school if not)
- Rain-proof jacket and warm sweater
- International Evening - any items you will need
- A plug adapter - the UK uses 240v
- A sensible amount of clothes - for all types of weather. A £5 laundry service is available mid-course
- Padlock for your suitcase or lockable cupboard
- A damage deposit of £40/€40. This will be returned at the end of your stay, if you have not caused any damage.
- Spending money - students usually bring between £60-£150 per week, but all students have different needs.

## Important Information

- You will be asked to sign a 'Student Agreement' when you book, accepting you will follow the rules of the school.
- As you are sharing your accommodation with others, we ask you to respect their space and their needs by not making noise, especially at night. All students must be in their bedrooms and quiet by 23:00 every night.
- Bathrooms and common areas are cleaned every day. Bedrooms are cleaned regularly and linen changed each course. There is a mid-course laundry service available for £5.
- Please keep bedrooms tidy and do not cause any damage.
- On arrival, you will be asked to pay a damages deposit of £40/€40. This will be returned to you at the end of your stay if you have not caused any damage to school property.
- Your travel tickets, passports and spending money must be kept in our safe. Please make sure your insurance covers you for loss or theft of your belongings, as the school will not be liable. There are no locks on the bedroom doors, so please keep valuable items locked away in your suitcase or lockable cupboard.

**• Any students found drinking alcohol, taking drugs or committing an act of gross misconduct e.g. repeated rudeness, racist, sexist or homophobic behaviour, bullying or harassment is liable to be removed from the campus immediately and sent home at their parents' expense.**

## Group Leader Information

### Welcome!

We are looking forward to meeting you this summer at Bloxham School and would like to take this opportunity to give you some information on what to expect.

### The General English Programme

When students arrive, they are taken to their boarding houses, on a tour of campus, for a drink/snack and to complete a short level test. On the first day students are given time to unpack, there are some sports and activities and the whole school attends an evening 'Welcome Talk' in the Great Hall. Students are introduced to the team and given all the information they need for their stay at ISC.

Lessons and activities begin on the second day. Students are divided into two age groups, the 'Jets' aged 9-13 and 'Sharks' aged 14-17 years old. They receive 27 lessons/30 hours of English teaching during the two-week course, this includes General English, British Culture and Project lessons. Students are organised into international teams for the course and win points for good behaviour, effort and work. Each team takes part in the ISC Project, producing a drama project which they perform to the school at the end of the course and can win the best Project class in school. Please see the ISC website for full course details.

There are three full-day excursions to London, Oxford, and Birmingham. There is a full and varied daytime and evening activity programme. Students are expected to take full advantage of the opportunities on the course. We ask you to encourage them to participate in all activities and practise their English as much as possible with their new friends. Please see our website for details of the programme.

On the first Sunday of each course, we offer an optional trip at an extra cost. Destinations include the London Eye, Tower of London, the Harry Potter Warner Brother Studios, Royal Windsor + Castle, Thorpe Park theme park and the beautiful Cotswolds Villages. These are usually organised in advance. There is also a full day of activities on campus.

One of our evening activities is the International Talent Evening, where your students will be expected to share an aspect of their own culture with their new school friends - they can sing, dance, talk about traditions, audience participation is always popular! This is also a talent competition so, again, please encourage your students to perform.

### ISC Staff

The ISC directors Nicola Lee and Al Dadge will be on site throughout the courses to ensure high levels of care, quality and organisation. They are available to help 24/7. Nic, is also director of studies and oversees the teaching department and English courses. The activity programme is managed by our activity director.

Our friendly, professional teachers and activity staff will be the main point of contact with your students. All staff live on site and are available to help you and your students. You will be accommodated in single rooms in the same boarding house as your students. Each boarding house has a head of house and house team to help you during your stay.

## Group Leader Duties

The course runs best, and you get more enjoyment from it, if you become part of our team, working with us for the benefit of your students. We need you to help us with the following:

- Please read your information pack on arrival, it has all the necessary information for the programme.
- There will be regular leader meetings during the course, organised by the course directors. **You must attend these to effectively manage your group.**
- Please collect passports and flight tickets from students to deposit in the school safe. These should go in a large envelope marked 'Documents' with the group name. Envelopes are included in your group leader pack.
- Pocket money should be collected in the pocket money envelope, and again marked with the group name. Students' bedrooms are not lockable, so we insist they keep their money in the safe. We cannot take responsibility if money goes missing from rooms. You will be responsible for giving out their pocket money as they need it. Ask students to lock any valuable items in their suitcases or lockable cupboards.
- Please collect a £40/€40 damage deposit from each student upon arrival and put this in the 'Deposits' envelope. It will be returned at the end of the course if there is no damage and behaviour has been acceptable.
- Check your students' rooms for damage on arrival and before they depart.
- Take photos of your students for our student photo wall in the first couple of days.
- During the busy first days of the course, help us to settle and organise the students quickly. Please refer any rooming issues to the head of house/directors and any class issues should be discussed with the director of studies.
- Arrange to meet your group every morning to ensure they are awake and ready for class or activities and understand what they are doing that day. Please also check that they are present for the afternoon sessions. If students are missing from class, the office will ask for your help to locate them.
- Ensure all your students are in their boarding house at 22.00 and help staff to supervise suppers and get students to bed by 23.00. If you are a single leader with students in 2 houses, please liaise with ISC staff in the other house.
- You must all attend house meetings - fire safety briefing Tuesday week 1, Wednesday week 1 and Tuesday week 2. You may need to translate important information.
- If not pre-arranged, find out if your students want to go on an optional Sunday excursion and collect the money from them in advance.
- Check your students' bedrooms are tidy.
- Inform students of the laundry procedure and remind them the evening before.
- Accompany your students when we go off site on trips, never allow younger students to have unsupervised free time on trips. Please liaise with our team on trips.
- Students are not allowed to leave the campus unless you have given permission and agreed it with the directors.
- Motivating students is the key to a successful course. Please encourage your students to get involved, be international, use their English and enjoy the programme.
- Please join us for the group leader party evening and get to know our lovely team!
