The Social and Activity programme

Students are also divided into mixed international teams for activities and are awarded points for their achievement and contribution. Our daily activities programme includes sports, arts and crafts, competitions, dance, yoga, swimming, traditional British games and much more. The evening activities include a murder mystery, discos, team competitions, drama games and karaoke. A sample timetable can be found on the ISC website.

Activity staff also coordinate with teachers during project classes, in which students create and rehearse a short play to perform to the school at the end of the course. Duties involve

helping students to invent Project ideas, writing scripts, holding auditions for roles, supervising students create props, and assisting with rehearsals.

Students go on 1 half-day excursion and 3 full-day excursions each course. There is also an optional trip on the first Sunday of each course. Trips are prepared in British Culture lessons so that students can fully benefit from them. Staff provide guided tours and ensure the students' safety throughout the trip. A pre-excursion meeting, which details the itinerary, tour notes, student and safety information is held the evening before the trip.

The activity programme is educational, fun and a great opportunity for students to practise their communicative English. **Maximum interaction with students is essential** to ensure their involvement, enjoyment and above all, safety.
